Automatic Payments

When it comes to making your monthly reoccurring payments, FFACU would like to offer some advice. When setting up monthly payments it is best to use EFT (Routing & Account Number) and NOT your debit card. In a world of card fraud, this will ensure that payments continue to come out, in the event of your debit card ever being compromised. Don't have all the info, don't fret, give us a call!

Debit Card Monitoring

FREE Debit card monitoring is available at FFACU! Register your card today and enjoy the peace of mind of knowing your card is protected. To register go to FFACU's website . Under Online Services you will click on links and then on Debit Card Monitoring. There are several ways to get alerts for different transactions!
